GENERAL INFORMATION FOR BOWLERS

DUMPING

Do not be offended if you receive a letter from the board requesting you to contact a coach to help with your bowling and protect our greens.

STARTING TIMES FOR PENNANT

- Saturday Pennant starts at 1 PM - roll ups start at 12:45 PM
- Tuesday Pennant starts at 10:15AM - roll ups start at 10:00 AM

Players need to arrive at least 30 mins before start time for roll up

We are a *Good Sports* Level 3 accredited club.

Sporting clubs such as ours play a significant role in the community and have a responsibility to our members and their families. We have chosen to join over 6,500 clubs across Australia taking part in the Australian Drug Foundation's Good Sports program. Through Good Sports we are committed to managing alcohol responsibly and ensuring smoke free areas, which we believe will help us to provide a healthy, safe and family friendly environment.

Through Good Sports we aim to:

- Eliminate risky drinking in the club through the promotion of a responsible approach to the sale and consumption of alcohol in the club
- Protect juniors and other young people from the misuse of alcohol in and around the club
- Provide a responsible smoke-free club environment, through designated smoking areas

At Level 3, we are committed to:

- Not selling or consuming alcohol without an appropriate liquor license
- Training our bar staff in Responsible Service of Alcohol (RSA)
- Ensuring smoke free areas are available
- Organising safe and responsible social events and finding alternate prizes/fundraiser, rather than alcohol
- Thinking ahead and ensuring players and members get home safely after functions
- Formalising and implementing our club's alcohol management policy

Speak to our club committee about what being a Good Sports club is all about or visit www.goodsports.com.au or www.facebook.com/GoodSportsClubs

The AGM is Coming Up

Have you thought of being on a committee?

Why not start with a general committee first, just to get the feel of it and see if you would like to take something else on the following year.

Or just throw yourself in the deep end and be adventurous. You will never know the difference you could make unless you get involved.

Speak to someone who has been on a committee and see what is involved; it could be something you have wanted to do for ages.

Check the boards for nomination notices, fill them out and place in the appropriate box.

Australian Domestic Play Distances

- A: 2 metres - minimum distance of a delivered jack from the front ditch.
- B: 14 metres - minimum distance of a live bowl from the mat line.
- C: 18 metres - minimum distance of a rebounding jack from the mat line.
- D: 21 metres - minimum distance of a delivered jack from the mat line.
- E: 27 metres - distance of the jack from the mat line when measuring the pace of the green.
- F: 23 metres - minimum distance of the mat line from the front ditch.
- G: 2 metres - minimum distance of the mat line from the rear ditch.

There will be 2 Selection Committees, one for Midweek Pennant and one for Saturday Pennant.

Selection Guidelines

- a) A representative from each division on each committee would be ideal.
- b) If not already on the selection committee, the Bowls Director may attend a selection meeting, in a non-voting role, if requested by the selection committee or if required to resolve a selection issue.
- c) The panels will elect a member from the Saturday/Midweek committees to act as chairman of each committee. The chairman to liaise with the Board's representative on any issues that may need to be discussed by the board.
- d) Teams should be selected on Merit and Compatibility; however, some consideration needs to be given to the development of bowlers for the future. Bowlers need to learn how to lead or take other roles. Giving them that role while having an experienced mentor would be a good way of achieving this.
- e) The club should not become a "win at all costs" club. The selection committee should not ignore the needs of the players and their aspirations.
- f) Selectors should consider whether a player has just had an off day or is it a loss of form over a period of time. Skips may be changed if the need arises.
- g) Consideration should be given that players, who can only play on weekdays or weekends, be given preference for selection on those days.

- h) Skips (one at a time) can be invited to comment on team member performances. If a skip wishes to comment on the performance of a selector, the selector should not be present. Under no circumstances should a skip have the final word on team selection.
- i) A team member can request a meeting with the selection committee prior to the meeting to discuss, in a calm respectful manner, any issue that may directly affect them.
- j) If a member still has a problem with a selection decision after meeting with the panel, they can appeal to the Bowls Director. Under normal circumstances the Bowls Director should aim to have the issue resolved prior to the next pennant game. This may require the selection panel convening a special meeting with the Bowls Director. If an issue is still not resolved it should be referred to the board. Note: If the Bowls Director is a member of the Selection Committee, the Committee will nominate a member of the Committee to take on this role.
- k) No member shall be present at selection meetings unless invited to attend.
- l) The selectors should always be aware of real or perceived, conflicts of interest. If necessary, they should excuse themselves from any direct involvement in decisions where a reasonable person would suggest there is a conflict of interest.
- m) Comments made in selection meetings should not be made public and should be kept in committee.
- n) Casual vacancies on the Selection Committees are to be filled by the Board of Directors, not by the Selection Committee.

Player Responsibilities:

- a) Players should respect the selection committee's decisions.
- b) The selectors should only be approached as per items (i), (j) & (k) listed above.
- c) A player should not make demands on the selection panel, and requests should always be respectful.
- d) Pennant selection should not be influenced by individual's wishes to play in a particular division or with particular players; this practice sets a precedent and restricts the selectors to do their job.
- e) Players should not directly contact members of the Selection via e-mail or telephone in an abusive manor but use the system in place (b).
- f) A player with a selection issue, may request to attend a prearranged meeting of two or more selectors, if they are unable to attend a meeting with the full selection panel.
- g) Decisions of the Selection Committees can only be appealed to the Bowls Director after the member concerned has met with the relevant selection committee and the issue remains unresolved. Under normal circumstances the Bowls Director should aim to have the issue resolved prior to the next pennant game. Note: If the Bowls Director is a member of the Selection Committee, the Committee will nominate a member of the Committee to take on this role.

DUTIES AND RESPONSIBILITIES OF A PENNANT SIDE MANAGER/CAPTAIN

1. A Pennant Side manager must make sure they are conversant with Laws of the sport of bowls (Bowls Victoria) Rules for Competition.
 2. They should, if playing at home, check to see that all selected players are in attendance, and if playing away, ensure that travelling arrangements for all players are made. On arrival at the club at which the match is to be played, they should check on arrival of all players.
 3. Timing of the green is not compulsory, and there is no requirement that the MPBR be informed of the speed of the green on the day of play.
 4. A visiting Club cannot demand that a green be timed. They should then contact the manager of the home team to carry out procedures as follows: The draw for rinks and opponents shall be made by opposing manager, who shall exchange cards, then shuffle them, after which the cards of one side will be placed face down by one manager, and the other manager shall then place a card on each and the teams shall play as thus drawn.
 5. Cards should be handed to the seconds of teams who will keep the score. The home team second is responsible to update the score boards.
 6. On completion of the match, the manager will collect the cards which must be signed by the opposing skips or seconds.
 7. The Home Manager should then fill in the result sheets. They should be signed by the away manager and umpire and then e-mailed to the MPB.
- **Saturday Pennant starts at 1 PM - roll ups start at 12:45 PM**
 - **Tuesday Pennant starts at 10:15AM - roll ups start at 10:00 AM**

CLUB CHAMPIONSHIPS

CONDITIONS OF ENTRY PAGE 1

All rounds of each club event must be played on or before the date set by the Match Committee. These dates will be displayed on the draw for each event. Note: All competitions to be completed by end of January.

Should players be unable to agree on a date to play before 7 days of these dates, the Chairman of Match Committee and one other committee member must be notified.

The Match Committee will either:

1. Arbitrate with the players and agree to a date
2. Set a fresh date where the game must be finalized by or played on.

If a player has a game due during a holiday, they must ensure their game is played before they start their holiday. If this is not possible, they should consider using a substitute or forfeiting their game. **The Match Committee will only agree to an extension in this case, if both teams agree to the change and it does not affect the completion of the following round.**

The Match Committee will only allow a maximum of two extensions to a player or team throughout. In the early rounds the extension will be for a maximum of two weeks, semi-finals and finals a maximum of a week.

Should the above procedure not be followed, and the game is not played by the set date, BOTH players or teams will forfeit.

Any dispute/appeals will be heard and dealt with by the full Match Committee.

It is the responsibility of both players in a singles match, to organize a marker when arranging their game.

The club would like to remind all players that they need to be flexible in their availability when entering club tournaments. We have both working people and retirees within our membership and as such this can cause problems when organizing a match.

CLUB CHAMPIONSHIPS

CONDITIONS OF ENTRY PAGE 2

The Match Committee will arrange 3 days to assist with the playing of club games. It is the responsibility of the participants to complete any games not completed after the 3rd day.

The Match Committee may adjust cut off dates in the event of inclement weather, although this may not be possible if the event follows onto a state event. Protection for a player committed to BV/MPD events will be given and where unforeseen circumstances arise.

Entry fee is \$6 per player per event (payable on entry). In team events, the skip is responsible for entry fees. Only 1 entry per team.

All entry fees are to be placed in an envelope with the entry form and placed in the box at the bar. All completion dates for Men's & Ladies events will be posted on the draw. All semifinals and finals must be played in club uniform.

If playing your club game, other than on the 3 days arranged by the Match Committee, please put your name on the events board so the Greens Director will ensure your rink will be set up and ready for play.

There must be a minimum of 4 entries for an event (6 for triples and fours) before it will be held.

A championship will only be awarded to players or teams that have played at least 2 games in that championship.

Only Full and playing Life Members are entitled to enter all club championship events.

Pennant Only (see By-Law 5.2.1) and Dual members cannot enter the club's singles, pairs, triples and fours. They may enter any other event.

PLAYERS MUST BE FINANCIAL AND ALL FEES PAID BY DUE DATE. IF NOT, THE PLAYER OR TEAM WILL NOT BE INCLUDED IN THE DRAW.

DUTIES OF A MARKER

DO be correctly attired.

DO introduce yourself to both players.

DO be conversant with the ownership of bowls.

DO align the jack AFTER it has come to rest.

DO note that the mat is correctly laid and aligned before aligning the jack.

DO ensure that the jack is not less than 21metres from the mats line after it has been centered.

DO retire to a position about 2-3metres behind the jack and one and a half-metre on one side. Keep your shadow from the head or that of the adjoining rink.

DO remain motionless, with eyes fixed on the player in possession of the mat.

DO watch for signals from the player in possession, be alert and in a position to observe if a bowl becomes a toucher.

DO answer all questions briefly with “yes” or “no” if the answer is not misleading, and only to the player whose turn it is next to bowl.

DO walk from end-to-end midway between the center of the rink and boundary.

DO remove a dead bowl immediately – take care with one near or on the boundary line. The players will determine if this is dead.

DO keep clear of the head when players arrive – they determine the results, not you.

DO call the score every end, naming first the score of the player who won the end.

DO place the score on the board every second end.

DO sign the scorecard after each player has done so then hand it to the proper official after the match.

ALL CLUB FINALS ARE TO BE PLAYED IN WHITES OR CLUB COLOURS
